

## PLATE VIII.

### Figs. 1-13. *Bornella excepta*, Bergh.

- Fig. 1. Foremost papilla of left side, from the outer side ; *aa*, the back.
- Fig. 2. Left mandible, from the outside ; *a*, hinge ; *b*, margo masticatorius. Cam. luc.  $\times$  55 diam.
- Fig. 3. Upper part of left mandible ; *a*, hinge ; *b*, facet beneath the hinge. Cam. luc.  $\times$  55 diam.
- Fig. 4. Two median teeth, from beneath. Cam. luc.  $\times$  350 diam.
- Fig. 5. A median tooth, from the side. Cam. luc.  $\times$  350 diam.
- Fig. 6. Median teeth, from the side. Cam. luc.  $\times$  350 diam.
- Fig. 7. Median portion of radula, from above ; *a*, median ; *b*, *b*, first lateral ; *c*, fifth lateral tooth. Cam. luc.  $\times$  750 diam.
- Fig. 8. Outermost part of two series, with 4-5 teeth ; *a*, *a*, outermost ; *c*, fifth. Cam. luc.  $\times$  750 diam.
- Fig. 9. Digestive tract from beneath ; *a*, cesophagus ; *b*, first stomach ; *c*, *c*, two anterior liver masses with their ducts ; *d*, main liver mass, *e*, its duct ; *f*, second stomach ; *g*, first part of intestine ; *h*, constriction dividing it from the second portion, *ih*.
- Fig. 10. Series of chitinous prickles from the second stomach. Cam. luc.  $\times$  100 diam.
- Fig. 11. End of prickle. Cam. luc.  $\times$  350 diam.
- Fig. 12. End of a renal tubule. Cam. luc.  $\times$  100 diam.
- Fig. 13. Hermaphrodite gland ; *a*, efferent duct of this and another gland.

### Fig. 14. *Onchidium verruculatum*, Cuvier.

- Fig. 14. Dorsal tubercle with group of eyes.

### Figs. 15-22. *Janolus australis*, Bergh.

- Fig. 15. Bulbus pharyngeus, from the side ; *a*, musculus transversus postero-superior ; *b*, hinge part of mandibles ; *c*, œsophagus.
- Fig. 16. Left mandible, from the outer side ; *a*, hinge part ; *b*, margo masticatorius.
- Fig. 17. The same, from the inner side ; *a* and *b*, as above.
- Fig. 18. The same, from beneath ; *a*, anterior end ; *b*, margo masticatorius.
- Fig. 19. *a*, Tongue ; *b*, tectum radulæ ; *c*, vagina radulæ ; *d*, common muscular mass of the jaws.
- Fig. 20. *a*, Median tooth from below ; *b*, first lateral tooth from the side ; *c*, cuticular continuation of teeth. Cam. luc.  $\times$  350 diam.
- Fig. 21. Abnormal lateral tooth. Cam. luc.  $\times$  350 diam.
- Fig. 22. Outer part of two series of teeth, with eight and seven teeth ; *a*, *a*, outermost teeth. Cam. luc.  $\times$  350 diam.
