

|                                      | PLATE | FIG.          | PAGE       |
|--------------------------------------|-------|---------------|------------|
| Salmonidæ—continued.                 |       |               |            |
| <i>Bathylagus</i> , Gthr.            |       |               |            |
| <i>atlanticus</i> , Gthr., .         | .     | ...           | ...        |
| <i>antarcticus</i> , Gthr., .        | .     | ...           | 219        |
| <i>Bathythriiidæ</i> .               |       |               | 220        |
| <i>Bathythrisea</i> , Gthr.          |       |               |            |
| <i>dorsalis</i> , Gthr., .           | .     | ...           | 222        |
| Alepocephalidæ.                      |       |               |            |
| <i>Alepocephalus</i> , Risso.        |       |               |            |
| <i>rostratus</i> , Risso, .          | .     | ...           | xix, 223   |
| <i>agassizii</i> , G. and B., .      | .     | ...           | 223        |
| <i>productus</i> , Gill, .           | .     | ...           | 223        |
| <i>bairdii</i> , G. and B., .        | .     | ...           | 224        |
| <i>niger</i> , Gthr., .              | .     | ...           | 224        |
| <i>Bathytroctes</i> , Gthr.          |       |               |            |
| <i>macrolepis</i> , Gthr., .         | .     | LVII.         | B 225      |
| <i>microlepis</i> , Gthr., .         | .     | LVII.         | A 226      |
| <i>rostratus</i> , Gthr., .          | .     | LVIII.        | B 227      |
| <i>Platytroctes</i> , Gthr.          |       |               |            |
| <i>apus</i> , Gthr., .               | .     | LVIII.        | A 229      |
| <i>Xenodermichthys</i> , Gthr.       |       |               |            |
| <i>nodulosus</i> , Gthr., .          | .     | LVIII.        | C 230      |
| Halosauridæ.                         |       |               |            |
| <i>Halosaurus</i> , Johns.           |       |               |            |
| <i>owenii</i> , Johns., .            | .     | ...           | ...        |
| <i>macrochir</i> , Gthr., .          | .     | LIX.          | A 237      |
| <i>mediorostris</i> , Gthr., .       | .     | LIX.          | C 239      |
| <i>rostratus</i> , Gthr., .          | .     | LIX.          | D 240      |
| <i>affinis</i> , Gthr., .            | .     | LIX.          | B 240      |
| Notacanthi.                          |       |               |            |
| <i>Notacanthus</i> , Bloch.          |       |               |            |
| ( <i>Notacanthus</i> ).              |       |               |            |
| <i>sexfurcatus</i> , Rich., .        | .     | { LX.<br>LXI. | 9-15 } 243 |
| <i>nasus</i> , Bl., .                | .     | ...           | ...        |
| <i>phasganorus</i> , Goode,          | .     | ...           | 248        |
| <i>bonapartii</i> , Risso,           | .     | ...           | 249        |
| ( <i>Polyacanthonotus</i> ).         |       | LXI.          | C 249      |
| <i>rissoanus</i> , Fil. and Ver., .  | .     | LI.           | B 250      |
| Muraenidæ.                           |       |               |            |
| Anguillina.                          |       |               |            |
| <i>Congromuræna</i> , Kaup.          |       |               |            |
| <i>guttulata</i> , Gthr., .          | .     | ...           | ...        |
| <i>Simenchelys</i> , Goode and Bean. |       |               |            |
| <i>parasiticus</i> , G. and B., .    | .     | ...           | 252        |
| Muraenesocina.                       |       |               |            |
| <i>Nettastoma</i> , Raf.             |       |               |            |
| <i>melanurum</i> , Raf., .           | .     | ...           | 253        |
| <i>parviceps</i> , Gthr., .          | .     | LXIII.        | A 253      |
| <i>procerum</i> , Goode and B., .    | .     | ...           | 253        |
