<i>microphthalmus</i> , <i>Sp. Bate</i> , 1862,	332, 501

¹ *Onisimus littoralis* (Boeck).² In my own view *Allorchestes* is a synonym, but the point being to some extent controversial, I have printed the name as valid.³ On p. 460, line 5, for *Nilsonii* read *Nilssonii*.*Allorchestes*—continued.
