¹ The name *Dactylocera Nicetensis*, p. 190, line 10, had not been previously used, but is given by Milne-Edwards in a footnote as though it had been.

² This name is given in the Brit. Mus. Catal. Amph. Crust., p. 151, from "*Cat. Crust. Mus. Roy. Coll. Surgeons*, p. 94," as a synonym of "*Amphithonotus Edwardsii*."

³ see *Pherusa fucicola*, Leach.

⁴ This species should have been mentioned in the Note on Grube, p. 348.

⁵ See Brit. Mus. Catal. Amph. Crust., p. 376. Boeck names the species *Halirages tridentatus*.
