

## STATION 23.

- Hyperammina subnodosa*, Brady.  
*Marsipella elongata*, Norman.  
*Rhabdammina discreta*, Brady.  
     " *linearis*, Brady.  
*Aschemonella catenata* (Norman).  
*Rhizammina algæformis*, Brady.  
     " *indivisa*, Brady.  
*Reophax dentaliniiformis*, Brady.  
     " *scorpiurus*, Montfort.  
     " *spiculifera*, Brady.  
*Haplophragmium agglutinans* (d'Orbigny).  
     " *calcareum*, Brady.  
     " *emaciatum*, Brady.  
     " *globigeriniiforme* (Parker and Jones).  
     " *glomeratum*, Brady.  
     " *latidorsatum*, Bornemann.  
     " *scitulum*, Brady.  
*Hormosira monile*, Brady.  
*Ammodiscus gordialis* (Parker and Jones).  
     " *incertus* (d'Orbigny).  
*Trochammina conglobata*, Brady.  
     " *coronata*, Brady.  
     " *pauciloculata*, Brady.  
     " *proteus*, Karrer.  
     " *squamata*, Jones and Parker.  
     " *trullissata*, Brady.  
*Webbina clavata*, Jones and Parker.  
*Cyclammmina cancellata*, Brady.  
*Textularia agglutinans*, d'Orbigny.  
     " *aspera*, Brady.  
     " *concava* (Karrer).  
     " *conica*, d'Orbigny.  
     " *gramen*, d'Orbigny.  
     " *luculenta*, Brady.  
     " *turris*, d'Orbigny.  
*Verneuilina pygmæa* (Egger).  
     " *spinulosa*, Reuss.  
*Bigenerina capreolus* (d'Orbigny).  
     " *pennatula* (Batsch).  
     " *robusta*, Brady.  
*Gaudryina filiformis*, Berthelin.  
     " *scalbra*, Brady.  
     " *subrotundata*, Schwager.  
     " sp. (?).  
*Clavulina communis*, d'Orbigny.  
     " *cylindrica*, Hantken.  
     " *parisiensis*, d'Orbigny.  
*Bulimina aculeata*, d'Orbigny.  
     " *buchiana*, d'Orbigny.
- Bulimina inflata*, Seguenza.  
     " *marginata*, d'Orbigny.  
     " *subteres*, Brady.  
*Bolivina punctata*, d'Orbigny.  
     " *reticulata*, Hantken.  
     " *robusta*, Brady.  
     " *textularioides*, Reuss.  
*Tritaxia caperata*, Brady.  
*Cassidulina subglobosa*, Brady.  
*Chilostomella ovoidea*, Reuss.  
*Lagena acuticosta*, Reuss.  
     " *quadrata* (Williamson).  
*Nodosaria comata* (Batsch).  
     " *communis*, d'Orbigny.  
     " *costulata*, Reuss.  
     " *filiformis*, d'Orbigny.  
     " *hispidata*, d'Orbigny.  
     " *intercellularis*, Brady (?).  
     " (*Glandulina*) *lævigata*, d'Orbigny.  
     " *obliqua* (Linné).  
     " *pyrula*, d'Orbigny.  
     " *raphanus* (Linné).  
     " *roemeri* (Neugeboren).  
     " *soluta*, Reuss.  
     " *subcanaliculata* (Neugeboren).  
     " *vertebralis* (Batsch).  
     " sp. (?).  
*Lingulina carinata*, d'Orbigny, var. *seminuda*, Hantken.  
*Rhabdognonium tricarinatum* (d'Orbigny).  
*Marginulina costata* (Batsch).  
     " *glabra*, d'Orbigny.  
*Cristellaria aculeata*, d'Orbigny.  
     " *calcar* (Linné).  
     " *cultrata* (Montfort).  
     " *gibba*, d'Orbigny.  
     " *italica* (Defrance).  
     " *obtusata*, Reuss, var. *subalata*, Brady.  
     " *orbicularis* (d'Orbigny).  
     " *reniformis*, d'Orbigny.  
     " *rotulata* (Lamarek).  
     " *variabilis*, Reuss.  
*Polymorphina* sp. (?).  
*Uvigerina pygmæa*, d'Orbigny.  
*Ramulina globulifera*, Brady.  
× *Globigerina æquilateralis*, Brady.  
× " *bulloides*, d'Orbigny, var. *triloba*, Reuss.  
× " *conglobata*, Brady.  
× " *dubia*, Egger.  
× " *rubra*, d'Orbigny.
