

## TABLE OF CLASSIFICATION.

## Group A. ECTOPROCTA.

## Sub-order II. CYCLOSTOMATA.

## Division I. ARTICULATA s. RADICATA.

PAGE

|                        |                           |   |
|------------------------|---------------------------|---|
| I. Crisiadæ, . . . . . | <i>Crisia</i> , . . . . . | 2 |
|------------------------|---------------------------|---|

## Division II. INARTICULATA.

|  |                              |   |               |
|--|------------------------------|---|---------------|
| Subdivision A. ERECTA                    | II. Idmoneidæ, . . . . .     | $\left\{ \begin{array}{l} Idmonea, \\ Hornera, \\ Pustulopora, \end{array} \right.$ | 9<br>14<br>18 |
| Subdivision B. ADNATA<br>s. DECUMBENTIA. | III. Tubuliporidæ, . . . . . | $\left\{ \begin{array}{l} Alecto, \\ Tubulipora, \end{array} \right.$               | 22<br>22      |
|  | IV. Diastoporidæ, . . . . .  | <i>Diastopora</i> , . . . . .   | 24            |
|  | V. Lichenoporidæ, . . . . .  | <i>Lichenopora</i> , . . . . .  | 25            |
|  | VI. Frondiporidæ, . . . . .  | $\left\{ \begin{array}{l} Fasciculipora, \\ Supercytis, \end{array} \right.$        | 27<br>28      |

## Sub-order III. CTENOSTOMATA.

## Division I. HALCYONELLEA.

|                           |                              |    |
|---------------------------|------------------------------|----|
| I. Alcyonidulæ, . . . . . | <i>Alcyonium</i> , . . . . . | 31 |
|---------------------------|------------------------------|----|

## Division II. VESICULARINA.

|                                |  |                |
|--------------------------------|--|----------------|
| II. Vesicularidæ, . . . . .    | $\left\{ \begin{array}{l} Amathia, \\ Vesicularia, \\ Farrella, \end{array} \right.$ | 33<br>36<br>37 |
| III. Cylindrocecidæ, . . . . . | <i>Cylindræcium</i> , . . . . .  | 38             |

## Group B. ENTOPROCTA.

## Order PEDICELLINA.

|                             |                                |   |
|-----------------------------|--------------------------------|---|
| I. Pedicellinidæ, . . . . . | <i>Ascopodaria</i> , . . . . . | 4 |
|-----------------------------|--------------------------------|---|
