

	PAGE
Series IV. Tridistichate Species,	238
8. The <i>Granulifera</i> -group,	239
Synopsis of the Species,	241
<i>Antedon angusticalyx</i> , n. sp.,	242
<i>inæqualis</i> , n. sp.,	244
<i>distincta</i> , n. sp.,	247
<i>multispina</i> , n. sp.,	248
<i>porrecta</i> , n. sp.,	250
9. The <i>Savignyi</i> -group,	252
Synopsis of the Species,	252
<i>Antedon angustiradia</i> , n. sp.,	253
<i>anceps</i> , n. sp.,	254
<i>varipinna</i> , Carpenter,	256
<i>quinduplicava</i> , n. sp.,	262
Note on <i>Antedon fluctuans (elegans)</i> ,	264
Genus <i>Actinometra</i> , Müller,	266
Definition of the Genus,	267
History,	268
Position of the Mouth,	273
Non-tentaculiferous Arms,	275
Ovoid Bodies,	275
Terminal Combs of Pinnules,	276
Centro-dorsal and Calyx,	276
Series I. Synopsis of the Groups,	277
1. The <i>Solaris</i> -group,	278
Synopsis of the Species,	278
<i>Actinometra pectinata</i> , Retzius, sp.,	284
<i>solaris</i> , Lamarck, sp.,	288
2. The <i>Paucicirra</i> -group,	290
<i>Actinometra paucicirra</i> , Bell,	291
3. The <i>Typica</i> -group,	294
Synopsis of the Species,	295
<i>Actinometra distincta</i> , n. sp.,	295
<i>typica</i> , Lovén, sp.,	296
<i>multibrachiata</i> , n. sp.,	299
Series II. Ten-armed Species,	300
4. The <i>Echinoptera</i> -group,	301
<i>Actinometra meridionalis</i> , Pourtalès, sp.,	301
Series III. Bidistichate Species,	302
5. The <i>Stelligera</i> -group,	303
Synopsis of the Species,	304
<i>Actinometra pulchella</i> , Pourtalès, sp.,	304
<i>maculata</i> , n. sp.,	307
<i>stelligera</i> , n. sp.,	308
6. The <i>Valida</i> -group,	310
Synopsis of the Species,	311
<i>Actinometra elongata</i> , n. sp.,	311
<i>simplex</i> , n. sp.,	312
<i>rotalaria</i> , Lamarck, sp.,	313
<i>valida</i> , n. sp.,	314
